		\$ 11,740,669.21	\$ 1,056,660.23	

Note: Gross losses by investors were \$11,740,669, but one investor actually had a profit of \$2,500 (which has been returned to the Receivership Estate), bringing net aggregate losses to \$11,738,669. The investor with a profit is not entitled to a distribution, so the total distribution equals \$1,056,660 which is 9% of the \$11,740,669 of gross losses.
